

GEORGE HAVEN

GUY LAHR III

George Haven, Guy Lahr Honored At Conference

George Haven, son of Mr. and Mrs. Edward Haven of 2548 East 24th street, was selected Friday for one of 25 leadership awards at the eighth state Midwest Conference of Junior Achievement at St. Louis.

The four-day conference, attended by 80 delegates, brought together officers of the Junior Achievement organization and top executives of a number of St. Louis business firms. The meeting, starting Tuesday, featured conferences, business discussions, and tours.

The leadership awards were presented to those showing the most promising qualities of leadership during the discussion period. Guy Lahr III, son of Mr. and Mrs. Guy Lahr III, of 330 Lenox avenue, was one of four finalists in a sales contest which ran throughout the conference. Lahr is a member of the Little Powers Junior Achievement company.

Haven is president of the Junior Achievement firm of J. Dow Metal Products, Madison. Earlier this year, he was given the honorary title of "president of

the year" by Junior Achievement of the Mississippi Valley, which includes the St. Louis area.

Also president of the January graduating class at Granite City high school, Haven headed a delegation of area Junior Achievement participants to the National JA convention at Ohio State University last summer.

12 Nominated For Achievement Award

Twelve nominations for the 1961 Civic Achievement Award recipient were submitted to the award committee, according to Madison School Supt. Wm. Brown, committee chairman.

The committee held a noon luncheon meeting at the Elks club Thursday, screening the nominations and narrowing the number to three. Nominations had closed the previous day.

Names of the three chosen Thursday will not be revealed. Brown said, but will appear on ballots to be mailed to all committee members for secret vote. Ballots are to be in by Jan. 12.

Four Traffic Arrests

Four motorists were arrested on traffic charges early Saturday morning by Granite City police. They posted their drivers' license as bonds.

Lloyd McCoy, 24, of 1608 Wilson avenue, was arrested at 2500 State street on charges of speeding and failing to observe a stop sign; David Cox, 16, of 2504 Kirkpatrick homes at J and I and Aubrey avenues on a speeding charge; David Cleveland, 18, of East St. Louis at J and I and Nemo road on a stop sign charge; and Donald Wood, 19, of Cahokia at 2400 Nemo road on a speeding charge.

MORE ABOUT

Babson's Financial

(Continued from Page 1)

your house now stands should increase in value during 1962. The building itself depreciates from the moment when it is first occupied. A possible exception would be certain very attractive ranch houses painted in color.

11. Automobile production will be the most important statistical indicator during 1962. This applies to both the number of automobiles and their sales value. We now have no reliable figures for the latter.

12. We will gradually approach an average of two cars for every family. The life of automobiles should gradually increase. The percentage of automobiles annually destroyed will decrease in 1962.

13. Automobiles and gasoline will be, increasingly, sources for raising money by taxation. This means will be extended to include the tax on the manufacture of automobiles.

More Investment, Jobs

14. Taxes, as a whole, will continue to rise in 1962 for every family. Business net taxes, however, will decrease in 1962, due to the granting of corporation refunds which can be done by executive order.

15. The manufacturing sector greatly increase his deductions for plant investments and new machinery, plant and equipment. Douglas Dillon feels that such tax reductions will increase the purchase of new equipment, develop greater efficiency and result in a net improvement in the employment situation. This is good news for the country.

16. Speculation in real estate and securities will be active during 1962, but good investments will be gradually recognized as the best investment. Young people will be encouraged to invest in real estate, and will appear on ballots to be mailed to all committee members for secret vote. Ballots are to be in by Jan. 12.

17. Public education will gradually be reorganized during the years ahead. Schoolhouses will be built as places to "park the kids" while the parents are at work. New schoolhouses will be built so as not to be over one-story high, with lots of sunshine.

18. Owing to the lack of airport facilities and to inadequate equipment, there will be increasing airplane accidents during 1962.

19. With all the above changes, plus increased public improvements and longer vacation periods, families must save somehow and cut somewhere. I think it will begin in 1962 with clothing. This will gradually become cheaper and more attention will be paid to color.

20. The time is approaching when the weeping of clothes will be greatly reduced. Clothes will be made like paper.

21. Plastic coats are already on the market. These are produced by feeding the cellophane into a machine which cuts to desired sizes and bonds (not sews) the material into beautifully finished goods of different colors.

22. We will hear more about automation during 1962. But the cost of building automatic factories is so great that the change is coming slowly. Even electronics has been overemphasized.

23. There need be no unemployment among steelworkers during 1962. But government unemployment figures will remain high. Foreign competition, due to low wages abroad, will be an important factor. Women will prefer to work in air-conditioned factories and have their home pantries filled with precooled foods.

24. Labor unrest will grow in extent and power. The most industries administration is friendly to union leaders and their demands. There will be demands for more fringe benefits. A steel strike is possible.

25. This means that with increased taxes, prices of retail products will be higher. This will be blamed on "inflation" of money, but it will be due to inflation of living standards.

26. The real value of the dollar will decline slightly during 1962, due to the decrease in the productivity of labor. The electronics industry will temporarily suffer in 1962 if atomic warfare is outlawed. But, otherwise, the electronics industry will increase for some years to come and hold on the dollar value of consumer chemicals and epoxy resins.

Ample Mortgage Funds

27. There will be enough money for mortgages insured by the Federal Housing Administration in 1962. Plenty of money will be available for mortgages guaranteed by the Veterans' Administration, although this supply varies with different sections of the country.

28. Interest rates on conventional loans not having any government guarantees will be a 1 1/2% higher. Real estate people will work about the public's desire to build, rather than about their obtaining mortgage money.

29. The life of automobiles should gradually increase. The percentage of automobiles annually destroyed will decrease in 1962.

30. Cement production in 1962 will exceed this year's 100 million barrels. The increase will come from producing steel in color.

31. Cement production will be about the same in 1962 as in 1961, but the industry's capacity to produce is increasing. The cement manufacturers must give up their desire to collect more money from the public.

Colorful Plants, Offices

32. Expenditures for plant and equipment in 1962 will increase by more than 10% over 1961. This is due to the granting of large appropriations for repainting factories and offices in many colors.

33. Newspaper production depends upon the number of newspapers and the amount of advertising. The amount of newspaper production will increase during 1962, but advertising receipts may increase through the use of color. This may result in the increased use of color paper to better take color printing with a 50% increase in advertising rates.

34. Furniture manufacturers are marking up prices so the young couples will buy furniture. The raw and paint same themselves.

35. There will be some increases in color TV sales in 1962. In fact, I think the present TV market is far from being saturated.

36. First-class postage rates will not be increased during 1962. Hence, more money will be spent on direct mail selling. This should help job printers in 1962 as their present margin of profit is very small. Billboard advertising will increase during 1962 due to a new kind of paint.

Wall-To-Wall Carpeting

37. Lumber will do well to hold its own in 1962 and much of it will be sold colored. Wood will carpeting will become even more popular, reducing the price of the best hardwood floors.

38. Fewer "scatter rugs" will be sold in 1962. Rug dealers will go to brighter colors, even for "orientals."

39. One of the greatest developments during 1962 will be the increased use of color in homes, offices, stores, and factories. This should increase the demand for and the price of good paint.

40. Exports will probably increase during 1962, but the plus of trade in favor of the United States is constantly increasing.

Political Trend

41. President Kennedy will be re-elected by the recent election in New York, New Jersey and Texas. This Democratic trend will continue during 1962, notwithstanding former President Eisenhower's campaign speeches.

42. President Kennedy will be more favorable to the business in 1962 only when he is able to see his business to increase employment. Profit margins will not improve during 1962, but the most industries will be better in terms of gross at volume.

43. Labor prices will not change much during 1962, except in the case of "non-taxables." Europe in investors are buying American stocks and bonds, feeling that their money is safer in United States industries and real estate.

44. Even the first mortgage bond is being bought by Europeans.

10 Firms Figuring On Pilot Plant At Union Starch

Bids are to be opened in the near future for construction of a pilot plant at Union Starch & Refining Co. to test and evaluate a new method of making corn syrup with expensive equipment to be brought here from Denmark and Germany.

While the date for the bid opening has not yet been set, the "Construction News" of the Southern Illinois Builders Association, list 10 firms, including six from the local area, that hold plans and are preparing to submit bids.

They are S. M. Wilson & Co., G. H. Sternberg & Co., Tom Studebaker Construction Co., M. H. Wolfe & Co., A. H. Seebold Construction Co., and General Contracting Co., all of Granite City, and the following St. Louis firms: Nelson Construction Co., Leontour Construction Co., Fleischer-Sieger Construction Co., and Frun Colon Co. A Kroyer continuous refinery is to be added to the plant.

The publication also notes that bids for a 100-unit public housing development for the elderly in Granite City are to be opened Jan. 25. No plan holders were listed.

Tom Studebaker Co. holds plans for construction of the Pleasant Rest Nursing Home at Collinsville.

GC Council Agenda Lists Many Items

The agenda for tonight's session of the Granite City council lists many items to be discussed, including the reorganization of the city, the city's financial condition, and the city's future.

The agenda, as prepared at the mayor's office, also lists a Finance committee discussion on the city's financial condition, a report from the Plan committee, which possibly will be a recommendation on zoning a 37½-acre tract along Pontoon road outside the city limits.

Public Works committee reports including a resolution to designate a section of Iowa street as an arterial thoroughfare, purchase of an alternator for the two-way radio in the inspection department's bids for repairs to the street department station wagon which was wrecked in an accident, and a report on costs of uniforms for sanitation department members.

Liquor bond for Norma A. Hoppe to operate Hoppe tavern, 2807 Edwardsville road, is to be submitted by Deputy Liquor Commissioner Frank Kopp.

The license formerly was issued to the late Frank Hoppe. Requests for three street lights along 28th street also are to be submitted for the N. A. street intersection and two mercury lights on the east and west corners at Edwardsville road.

Breeding Charge

Robert R. Dunham, 17, of Collinsville posted his driver's license as bond for a night in jail Friday in the 2700 block of Madison avenue on a charge of speeding.

Police Investigating Beating Of Woman, 40

Granite City police are investigating injuries sustained about 11:45 p.m. Sunday by Mrs. Ruby Rogers, 40, of 1709 State street. Police were summoned to 14th street and Grand avenue, where they found Mrs. Rogers in a dazed condition after apparently having been beaten. She has been unable to give a statement.

Mrs. Rogers was in poor condition when taken to St. Elizabeth Hospital by police. Her condition today is fair. She is undergoing treatment for abrasions to the forehead and neck and cuts to her face. Police said her clothing was torn.

Leave Board To Meet Tomorrow Morning

The regular meeting of the East Side Levee and Sanitary District board of trustees will be held at 10 a.m. tomorrow instead of at 7:30 p.m. leave board Clerk Ben Day said today.

Leave district meetings open to the public, are held at 2942 McCasland avenue, East St. Louis.

Arrest Ticket Issued

Sandra Lazenby, 16, of 2837 Wayne avenue, was issued an arrest ticket at East 23rd street and Nameoki road yesterday evening on a charge of failing to observe a stop sign. She posted her driver's license as bond.

GC First Fire Alarm

Granite City's first fire alarm of the new year occurred at 9:26 a.m. yesterday when the 1955 auto of Paul Werner, 1128 Twenty-second street, caught fire, apparently from a carburetor backfire, at 22nd and Adams streets.

Firemen from the main station extinguished the blaze with chemicals and set the house at 575.

3 Charged In Assault On Couple At Residence

Assault and battery warrants were issued against three men after they allegedly caused a disturbance at the home of Fred Lacey, 1912 Harris street, East Madison, at 10 p.m. Thursday.

Lacey's wife, Carol, 23, was treated at St. Elizabeth Hospital for an arm cut suffered when a door glass was broken.

Paul Dean Fisher, 27, of the 1900 block of Harris street and Landon Ray Fisher, 30, of the 2000 block of Missouri avenue were taken into custody by sheriff's deputies Friday. They and the third suspect, Eugene Keel, East Madison, appeared before Justice of the Peace Harry E. Hartman on Lacey's complaint Saturday. Each was released on a \$100 property bond until a hearing, tentatively set for Jan. 13.

The three had come to his home to talk to him, Lacey related, and one accused him of a theft. Keel struck Mrs. Lacey, and Lacey began fighting him, he said. Keel then knocked out the door glass to keep Mrs. Lacey and Janet Howard, 19, also of 1912 Harris street, from leaving. Lacey charged. A .22-caliber automatic rifle was taken from the Lacey home, he added.

Miss Barbara Staggs Bride Of Airman Charles Elledge

The altar of the Tri-City Park Assembly of God Church was decorated with greenery for the wedding vows Saturday evening of Miss Barbara Staggs and Airman first class Charles Elledge.

The former Miss Staggs, 1209 Edwardsville road, is the daughter of Mrs. Ruby Pyles of Granite City and Eugene Staggs of Madison. The groom is the son of Mr. and Mrs. Leman Elledge, 1809 Ferguson avenue.

The pastor, Rev. R. D. Shaw, officiated at the candlelight double-ring ceremony. Reception followed at the YMCA.

The bride wore a gown of white Chantilly lace and silk organza over tulle.

A deep, scalloped scoop neckline ending in a "V" at the back was edged in sequins, seed pearls and bugle beads. The gown had a fitted bodice with a butterfly bustle, chuppel train and long sleeves pointed at the wrists.

A scalloped fingertip veil was secured by a crown accented with tear drops and pearls. Her bouquet was composed of white orchids on a lace-covered Bille and streamers of white lilies of the valley, made into a wristlet.

The bride was attended by Miss Carol Rudnicki as maid of honor, Mrs. Phyllis Baxton and Miss Dorothy Mathenia, bridesmaids, and Miss Kathy Yates, a cousin of the bride, junior bridesmaid.

The bridesmaids were attired identically in street-length dresses of red velvet and white chiffon over silk organza, with fitted bodices, three-quarter sleeves, scoop necklines and full skirts of white chiffon. They carried red carnations on white Bille, and wore pill-box hats with veiling.

The groom had Dennis Cooper as best man. Groceries were a cousin of the bride, David Clayton, and Wayne Markham, Delbert Pyles Jr., brother of the bride, was junior groomsmen. Ushers were Darrell Davis and Paul Mikulas, Ringbearer was a brother of the bride, Randy Pyles. All wore white tuxedos and black trousers.

Work Progressing On Triple-Duty Venice Fire Truck

The new Venice fire truck scheduled for delivery during January will be a triple-combination unit. It was learned at the Towers Fire Apparatus Co., Freeburg, where addition of the truck body and pump are nearing completion. The 175-horsepower chassis was finished last month by the FWD Corp., Clintonville, Wis.

In its triple function, the vehicle will be capable of pumping water from a hydrant, pumping water from its own supply; and providing a full complement of hose, ladders and other accessories necessary to combat fires with speed and safety.

The chassis has a modern five-man cab-forward canopy-type cab. It has power steering, a 275-horsepower engine and a dual 12-volt electrical system with battery-charging receptacles.

Equipment includes a 300-amp generator, a 1250-watt transformer, and power outlets for electric tools.

At Freeburg, the Towers firm is equipping the truck with a two-stage, centrifugal, 750-gallon-a-minute pump and a 500-gallon-capacity water tank.

Other apparatus will include a console-panel-type hose and a compartment body, a two-way radio, twin electric rewind hose reels and a full set of firefighting accessories.

FRIEDMAN'S FURNITURE ANNEX 405 MADISON AVE. TR 7-6002

The following items were taken from the files of the Granite City Press-Record

Jan. 4, 1937

New Year's Eve was celebrated joyously but rather quietly in the Quad-Cities with only two minor automobile collisions, an accidental shooting and a house robbery being reported to the four police departments.

Scattered throughout the community were brightly lighted homes where private parties were being held. These seemed to predominate locally in greeting the new year.

The largest and gayest celebration took place at the Elks Club in this city where nearly 100 couples boisterously welcomed the New Year. They enjoyed dancing, noisemakers of all kinds and a turkey dinner.

Because of the large number of house parties and the celebration, fewer people than ever before went out-of-town for their merry-making.

Residents of this city at 10 a.m. today had purchased \$22,000 worth of postal savings bonds, it was learned from Postmaster Charles G. Sowell. This made a total of \$36,925 since the first of the year.

After being closed for two months by a PWA's paving project which blocked both exits, the West Side fire station was reopened Saturday noon. Inclement weather halted the pouring of concrete many times and caused the delay.

While the station was closed, firemen painted the interior and remodeled it slightly. Both crews worked out of Fire Station No. 3 during that time.

Postal receipts for the year 1936 were \$71,338, the highest in the city's history. Postmaster Charles G. Sowell said today. The previous high mark was in 1929, when the revenue totaled \$66,971.

During the last three months of 1936, the receipts were \$10,198 as compared to \$7884 for the same period the previous year, a gain of \$2314 or 29.7 per cent. The year's revenue exceeded that of 1935 by 20 per cent.

Rubbish piles were the principal cause of Granite City's 184 fires last year, said James Marsh said in connection with his annual statistical report which he made public Saturday.

He blamed 32 fires or 16 per cent of the year's total on heaps of discarded trash which citizens had carelessly neglected to clean up. Almost the same thing was true in 1935, when rubbish piles ranked next to "unknown" in causing fires.

Gala holiday events included a dance given jointly by the Girls' Hi-Y clubs at the YMCA last week. Dancing and games furnished pleasant entertainment for about 30 girls and their escorts.

The 1937 officers of Granite Chapter No. 221, Royal Arch Masons, were installed Saturday evening at the Masonic Temple at an open meeting attended by Masons and their families.

The officers include William Westlake, high priest; William J. Mehl, king; Floyd Henley, scribe; Arthur W. Hise, treasurer; Joseph F. Westlake, secretary; Charles H. Miller, chaplain; Joseph Steele, captain of the host; Paul Pender, principal journeyman; B. O. Bodman, royal arch captain; E. J. Pauley, master of the third veil; Harry F. Fossick, master of the second veil; Charles M. Carpenter, master of the first veil; Fred P. Rupp, swarder; and John F. Griffith, sentinal.

William Mehl, past high priest, was the installing officer, and James Steele, retiring high priest, was installing marshal.

Automobile collisions in the city for the year just ended climbed to 211, an increase of 79 or 60-4-over 1935, according to the records of Chief of Police John Tappel.

Most of the accidents were of minor nature but there were quite a few major crashes in which fatalities occurred and scores of persons were treated by physicians and at St. Elizabeth Hospital for injuries.

Mr. and Mrs. Bruce Tenney of Washington avenue entertained guests at an oyster supper Saturday evening. They were Mr. and Mrs. Dwight Hanson and son, Mr. and Mrs. William Wald and Mrs. Madeline Owen.

Arthur Varnum has returned to the United States Naval Academy at Annapolis after spending the holidays with his parents Mr. and Mrs. Earl Varnum, and sister, Miss Dorothy.

Judge and Mrs. R. W. Griffith are at home again after a delightful holiday vacation in New Orleans. They left shortly after Christmas and made the return trip Sunday.

The following enjoyed a New Year's Eve party at the Bruene home near Stallings: Mr. and Mrs. Gottlieb Willard, Mr. and Mrs. Philip Seigel, Mr. and Mrs. George Slay, Mr. and Mrs. Henry Schroeder, Miss Amelia Bruene, H. C. Arthur and Henry Bruene. A delicious repast was served by the guests by Miss Bruene before their departure.

Miss Rhoda Bell Crockett entertained a number of young people at a party New Year's Eve at her home, 2416 Pontoon street.

A scavenger hunt was arranged for the entertainment of the guests and the remainder of the time was spent in dancing. A late supper was served by Mrs. M. C. Crockett, mother of the hostess, and the following girls and boys were present: Miss Velma Raney, Miss Harriet Bowler, Miss Arline Hoelscher, Miss Nellie Shone, J. F. Harper, Ramon Lambert, Russell Walker, Owen Osterkamp and George Bowen.

Planning Committee Is An Appropriate Group To Lead Drive For Zoning Adoption

If zoning—beneficial to all residents and property owners—is to be adopted this year, widespread public support must be obtained. It is entirely fitting that the Madison County Citizens' Planning Committee, in endorsing zoning, has decided to take a leading role in seeking its passage.

Active for more than 15 years, the committee has been giving valuable assistance in highway programming and procurement, as well as in supporting planning and zoning in cities and unincorporated areas. One of the voluntary group's chief accomplishments was establishment of the official Madison County Planning Commission.

Through the citizens' committee membership has changed with the years, it has always included representation from all parts of the county. For this reason, its support of zoning is noteworthy and should be especially helpful.

In backing the proposed land use and zoning ordinance, the committee will aid in conducting a detailed educational campaign among civic organizations and also will urge attendance at the remaining hearings by people who also are convinced that zoning is imperative.

The committee's decision to work for zoning approval by the county board is soundly based. Zoning is a "must" if there is to be new industry and industrial expansion to provide jobs for Madison County's fast-growing population. All sections of the county will gain from its adoption.

Extensive Highway Work In 1962 Will Be A Boon To This Area

Among the happiest news as the old year ends and the new one begins is the state's announcement of extensive 1962 highway development and construction in the Quad-City area.

Local projects topping \$12 million represent nearly 4 1/2 per cent of the entire \$269 million Illinois program. Also, much of the other highway work this year will occur within the two-county Illinois Metropolitan Area.

Probably the most significant phase is a four-mile section to be built for the new Federal Route 151 through the western fringe of this community. It would be hard to overestimate the favorable impact this route can have on Quad-City port and industrial development.

Four-laning of both Nameoki road from the high school north to a point beyond the city limits, and Route 111 between Mitchell and Pontoon Beach, will improve traffic handling and safety. Progress on Interstate Route 270 also will be important to this area, due to its connections with Route 151 and other local highways.

THE PASTOR SPEAKS

REV. KENNETH V. REEVES
UNITED PENTECOSTAL CHURCH

It was Aristotle, the ancient Greek philosopher, who outlined the idea of deductively reasoning from the general to the particular, and who effectively taught how to analyze and classify into their different parts the species under their general family name.

Aristotle did not invent the fact of the genus and the species, but he did elaborately set the idea forth, and little improvement—except in detail—has since been developed.

Upon the theory of the whole and its parts, we learn how to organize our ideas, our words, our people, our programs and our materials.

Churches are identified as denominations due to the idea of the public notion that each denomination is one species under the general family of churches. The so-called Christian churches are considered to be a species of religion under the general subject of religion.

However, for those outside any particular denomination (so-called), one church may be about the same as one color of horse as compared to another color horse—i.e., just horses. And to the non-Christian person who may belong to some other world religion, the Christian religion is just a coloration in the various kinds of religions in the earth.

For this reason, each person unattached to any particular Christian congregation may be faced with the issue of which congregation to affiliate with, if any.

One may make a selection on the basis of how long a particular body has been organized. Another may be interested in the kind of doctrine taught, especially those doctrines that may constitute the differentia or the distinctives of that church. Another may be thinking of

Rail Removal Will Aid Motorists, End Hazard

Early removal of unused street car rails and resurfacing of the heavily-traveled downtown streets where they are located will aid motorists in two ways. Pitted and broken track areas slow traffic at present, and the rails create a hazard, especially in rainy weather.

Driving conditions may soon be much better because of the Granite City Council's decision to move rapidly on eliminating the remaining tracks.

Lincoln's Gettysburg address contains 226 words, the Lord's prayer has 56 and the ten commandments 297. But a federal order dealing with the sale of cabbage contains 26,991. (Waverly Journal)

35-Mile-Speed Law Realistic For State Street In Madison

Increasing the speed limit from 25 to 35 miles an hour on State street in Madison establishes a realistic limit, considering the street's condition and the number of vehicles using it.

The Madison city council's action conforms to the concept that speed laws should be revised whenever necessary to move vehicles at the maximum safe speed. The new speed law is one that can be enforced.

Practice Of Investing Idle Public Funds Is Growing

The East Side Levee and Sanitary district has joined a long list of local, county and state taxing bodies in putting its idle money to work. The decision to invest its bond payment sinking fund is in line with good business practice.

Idle funds, either public or personal, are of little advantage unless they are earning interest. We are happy to see this maxim recognized by another local governmental agency.

Accepting CD Police Course Applications

Applications for a new eight-week basic auxiliary police course scheduled to begin soon are now being accepted at the Granite City office of civil defense.

Directed by auxiliary police Lt. John Becker, the course will cover such topics as basic principles of traffic control, police communications, duties of auxiliary police, and police organization.

Instructors will include Assistant Granite City Police Chief Philip J. Lett, Lt. Paul Moore of the police department, Luther Rudolph of the Illinois State Police, and Chief Victor H. Koenig, and others.

Applications for the course are available from any auxiliary police force member, or may be secured from the Civil Defense office, 1411 Nineteenth street, during office hours on Mondays and Thursdays or most weekday evenings.

The course is part of the regular auxiliary police schedule, and is offered through the cooperation of the Granite City police department.

Twelve men have graduated from the course so far. They are Donald P. Jackson, W. Eugene Schaeffer, Orville Bunker Edwards, Charles Pabst, Raymond Newberry, Clarence Roney, Otis Forney, Paul Simon, Howard Harris, E. William Colyer and Lester Hinkel.

Auto Hits Pole

The first traffic accident of the year in Venice occurred at 6:45 a.m. on Fourth street in front of Lincoln school, where a car knocked down a utility pole.

Venice police charged the driver, Lloyd Eugene Mitchell, 29, of St. Louis, with careless driving and destruction of property. Police said he was traveling south and was alone in the car when it failed to make the curve and hit the pole.

Hulsey In Hospital

Fred Hulsey, 73, local barber of 1308 Eighteenth street, is a patient at Park Lane Hospital, St. Louis, undergoing treatment for lung congestion. Hulsey, who entered the hospital Friday, said he would like to hear from his friends.

17 Scouts In Council's Next Eagle Ceremony

No Quad-City Boy Scouts are among the 17 who will advance to Eagle rank in a Cahokia Mound Council ceremony at 8 p.m. Monday, Jan. 22, at Edwardsville junior high school.

With the Eagle court of honor now held on a semi-annual basis, Univah district scouts predominated in the class honored here last spring.

The new group, composed of scouts from Edwardsville, Collinsville, Highland, and Bond county, has been designated as the Raymond Schmidt memorial class. Eagles badges will be given out by Albert Cassens, former council president.

Jack Friedman of Granite City council advancement chairman, has asked that troops and postmen having scouts in the class attend in groups and in uniform to participate in the program.

Serving In Mediterranean

William D. Madison Jr., first-year apprentice USN, son of Mrs. Elizabeth Jones of 203 Terry street, Madison, is serving in the Mediterranean aboard the Sixth Fleet radar picket destroyer USS Furze.

Marriage Licenses Issued

Marriage licenses have been issued by Deputy Clerk A. L. Stevens to William D. P. K. 14 and Peggie Montgomery, both of St. Louis, and Robert E. Zell of Cape Girardeau, Mo., and St. Louis Johnson of Ferguson, Mo.

Hit-Run On Highway

Virgil Taylor, 43, of 2723 Warren avenue, reported to county authorities Sunday evening that when he was stopped on Route 111 waiting to make a left turn onto Pontoon road, the front of his car was struck by a hit-run motorist, leaving a white auto which failed to observe the Pontoon road stop sign and then sped from the scene. No injuries were listed.

MRS. TAYLOR HOSTESS TO EVENING CIRCLE

Mrs. Tina Taylor entertained the Evening circle of the North old United Presbyterian Women's Association in her home, 1736 Primrose avenue, Thursday evening.

The last chapter of the Book of John was the topic of a study lesson given by Mrs. Fern Mitchell, and missionary names of the day were read, with prayers in their name offered by Mrs. Lu Pyle.

The Taylor home was decorated in a Christmas motif, and a late dessert course was served by the hostess to Mrs. Mitchell, Mrs. Lu Pyle, Mrs. Beatrice Pyle, Mrs. Ann Freeling, Mrs. Twyla Marcum, Mrs. Edith Arbogast and the circle chairman, Mrs. Louise Thompson, and Mrs. Louise Genard, the hostess' mother.

The next meeting will be a board meeting this evening at 7:30 at the home of Mrs. A. N. Freeling, 3141 Myrtle avenue. The regular association meeting will be held Jan. 8, and the circle will meet Jan. 22.

NEW YEAR'S EVE PARTY AT KNAACKSTEDT HOME

Mr. and Mrs. Alvin Knaackstiedt held a New Year's Eve party in their home, 2124 Amos avenue, Sunday evening.

Dancing, cards and table tennis were enjoyed by the group in the rathskeller, and a late supper was served by the hostess, who used Christmas decorations on the serving table.

Friends attending were Mr. and Mrs. Frank Vesel, Mr. and Mrs. Dale Brackett, Mr. and Mrs. Lee Knaackstiedt, Mr. and Mrs. Bill Drew, Mr. and Mrs. James Yates, Mr. and Mrs. Arthur Hoff, Mr. and Mrs. Frank Halvachs, Mr. and Mrs. Joe Schmidt, Mr. and Mrs. Ed Evans, Mr. and Mrs. Paul Gauen, Mr. and Mrs. John Ebingerhaus, Mr. and Mrs. Elsie Graf and Mr. and Mrs. Jim Costello.

NEW YEAR'S PARTY AT ZIMMER HOME

Mrs. and Mrs. William Zimmer gave a New Year's Eve party in their home, 3265 Westchester drive, Sunday evening. The hostess used Christmas decorations, and the centerpiece of the serving table was a tiered cake decorated with red roses. A new year's baby was on the top tier. The cake was baked by Mrs. G. Lucille.

Cards and dancing prevailed to bring in the new year and a late buffet supper was served to Mr. and Mrs. G. Lucille and a daughter, Linda, Mr. and Mrs. Robert Margeson, Mr. and Mrs. Arnold Meyers and son, Arnold, and Mr. and Mrs. Gus Frenkel.

MRS. ROSENBERG ENTERTAINS CLUB

Mrs. Juanita Rosenberg entertained her card club Thursday evening in her home, 2238 Cleveland blvd., for regular monthly meeting and for the group's Christmas party.

The members first had dinner at the Rose Bowl and then returned to Mrs. Rosenberg's home for a gift exchange and pinocchio. Prizes at cards were won by Mrs. Irene Willis, Mrs. Dorraine Melloy and Mrs. Mary Lou Glessner.

Other members present were Mrs. Harriet Hoff, Mrs. Lois Cruse, Mrs. Edith Ryan and Mrs. Catherine Hommert. Mrs. Hoff will be the Jan. 25 hostess in her home, 1645 Moro avenue.

USHER IN NEW YEAR
AT STAWAR HOME
Mr. and Mrs. Walter Stawar, 2255 Gary avenue, entertained friends at a party Sunday evening to usher in the new year. Christmas decorations were the motif of the Stawar home, and a late buffet supper was served by the hostess to Mr. and Mrs. Van Dee Cruse, Mr. and Mrs. Roger Hoson and daughter, Trudy, Mr. and Mrs. Walter Boring and Mr. and Mrs. Bob Cathey.

Area Precipitation For '61 9 Inches Above Normal

Quad-City area precipitation totaled 43.46 inches in 1961, 9 inches above normal during 1961, with rain or snow falling on 147 days, according to the gauge maintained by the Corps of Engineers at the Chain of Rocks canal locks.

The 43.46 inches last year compares to 29.50 in 1960, 30.88 in 1959, 41.11 in 1958, 51.54 in 1957, 41.94 in 1956, 34.37 in 1955 and 31.31 in 1954.

Heaviest downpour last year was 3.07 inches on May 8, while 2.56 inches were recorded on July 23. There were several other days on which more than an inch of rain was reported.

May and July also ranked in that order as the top months for rainfall with 9.31 inches in May and 7.64 in July. March was third with 4.96 inches.

The year's driest month was last January with a mere .87 inch of precipitation, which in-

cluded eight inches of snow that fell on three different days.

December was the second driest month with 2.12 inches, and oddly enough, December had more days on which precipitation was recorded than any other month. There were 15 days with rain, snow or sleet or traces of precipitation.

Second was March with 16. There also were eight days with precipitation last January, 12 in February, 15 in April and November, 10 in May, August, September and October, 11 in June and 13 in July.

The 149 rainy days last year is only one more than the 148 reported for 1960.

A breakdown of the area's rainfall by months follows: January .87, February 2.78, March 4.96, April 2.87, May 9.31, June 3.73, July 7.64, August 2.59, September 3.65, October 2.62, November 2.38 and December 2.12.

Arthur Twelman, 54, Stricken At Home, Dies

Arthur William Twelman, 54, of 2508 Lincoln avenue, who was under treatment for a heart ailment and was stricken about 8:15 a. m. yesterday in bed, was rushed by ambulance from his home to St. Elizabeth Hospital and was dead on arrival.

Twelman, a native of St. Louis who lived here about 30 years, formerly operated the 700 Club in Venice for 12 years. He had worked 27 years at the old Nesco plant. He had been in failing health several years.

Survivors are his wife, Mrs. Maxine Henry Twelman, a son, Donald Twelman of Granite City, a daughter, Mrs. Otto (Betty) Rath of St. Louis; a

brother, Harry Twelman of Okla. City, and two grandchildren. Funeral arrangements are given in today's obituary column.

John Foster, 68, Dies While Visiting Here

John Foster, 68, a retired farmer of Grand Tower, Ill., was visiting a daughter here, Mrs. George (Marie) Newman, Rural Route One, suffered a heart attack at the Newman home and was dead on arrival about 11:30 a. m. Friday at St. Elizabeth Hospital, where he had been taken by his son-in-law.

Mr. Foster, whose wife, Mae died Feb. 1958, had been visiting here since Dec. 28. Services were conducted this afternoon at Murphyboro with burial in taking place at Walker Hill Cemetery at Grand Tower.

Survivors include four other daughters, Mrs. Lee (Verna) Jones of Mitchell, Mrs. Lucille Dunn and Mrs. Bonnie Jean Dunn, both of Kansas City, Mo., and Mrs. Floyd (Joan) Flick of Bethel, Kan.; four sons, Robert of Grand Tower, Kenneth with the U. S. Army in Alaska and Virgil and Joseph of Kansas City, Mo.; a brother, Charles Foster; three sisters, Mrs. Minnie McMahon, Mrs. Esther Knight and Mrs. Cora Bollen; and 25 grandchildren.

Quiet New Year's Eve Throughout Area

New Year's Eve celebrations were quiet throughout the area with only a few arrests reported in Granite City. Madison's celebration was quiet, however, until 1 a. m. New Year's Day.

No arrests were made in Madison or in Venice and none was reported in the county. A large number of disturbances was anticipated because of an expected invasion by Missourians, whose taverns were closed on Sunday. However, disturbances were few, authorities said.

Samuel Agers, 67, Dies At Veteran Hospital

Samuel Webster Agers, 67, of St. Louis, Mo., an Army veteran of World War I and II, died at 1:50 a. m. Saturday at the Veterans Administration Hospital, St. Louis, after a long illness.

At a meeting in under way today with Boilermakers Local 578, where sessions are scheduled for Thursday with Electricians Local 309 and Machinists District Union, before meeting today all three contracts expired.

Agers, a native of St. Louis, had lived in Granite City for 20 years. He had worked for 25 years at the St. Louis Glass Co. production today after a maintenance shutdown since Dec. 30. The contract expired Dec. 31.

Woman Given First Aid After Blaze Yesterday

Madison firemen were called at 6:25 a. m. yesterday to the home of Jean Waggoner, 1521 (rear) Fourth street, where a fire had broken out in a bedroom. Firemen said the woman inhaled smoke and was given oxygen by the department's first aid crew.

The blaze in the four-room concrete block dwelling, owned by Irene Hughes, was restricted to the bed and bedroom and the loss was set at \$150. Fire Chief Edw. J. Miller said smoking in bed apparently was the cause.

When a recipe for chef's salad suggests that the ham, chicken and cheese included be sliced "julienne," cut the foods into match-size strips.

No 'Off' Season For Sports Here During Past Year

1961 Produced Numerous Individual And Team Champs, Exciting Events

Prep basketball, wrestling and football, bowling, boating, auto racing, football, baseball, boxing, tennis, golf, modeling and archery — and the individuals who participate in these activities — combined to make news in the sports-minded Quad-Cities area during 1961.

It was an extremely busy year for amateur and professional athletes of all ages — from six-year-olds playing their first season of organized baseball in one of the several local leagues for boys to the "play for pay" adults from this area active in basketball, boating and auto racing.

There isn't an "off" season for sports here. Individuals and teams made news continually some of it heartening, some of it disheartening to the participants and their followers.

Set down here, then, is a sampling of those events and occasions, listed as they occurred during the now-concluded year.

JANUARY 10—Madison high school's basketball varsity, on the way to a fine season, clips traditional rival Granite City 71-52; Jan. 11 — York Lombardi sets a Classic bowling league record by hitting 200-740 at Bowland; Jan. 14 — GCHS Warriors capture the title at the Dupo Invitational cage tourney by defeating Jerseyville 62-48; Granite City wrestlers were team champs at their own frosh tourney.

New Scoreboard
Jan. 17 — Venice high school basketballers broke 11-game losing streak by defeating Livingston 67-43 in what was to be VHS's only win of season; Jan. 24 — GC school board authorized the installation of new scoreboard at the Warrior football field; Jan. 31 — GCHS wrestlers established a school record by shutting out East St. Louis 59-0.

GRANITE CITY AND MADISON both had a shot at the unstoppable Collinsville Knights during the March 1961 regional basketball tournament held here, where Vergil Fletcher's team actually had more difficulty than it experienced later in the state finals. Here, Madison's Bob Simpson (left) and Collinsville's Bob Simpson (right) are seen in action during the game.

Sacred Heart Splits With St. Michael's

Sacred Heart grade school of Granite City split two basketball games with St. Michael's of Stanton Friday night at Sacred Heart, but won the important contest of the two.

Holding St. Michael's to two field goals in the first half, Sacred Heart won the varsity contest, 34-28. The winners, who led all the way, were paced by Robert Lee's 11 points. The victory lifted Sacred Heart's season mark to 3-3.

Earlier, the Sacred Heart "B" team bowled to St. Michael's, 31-19. Bobby Luech was high for the losers with 10 points. Sacred Heart's next regularly scheduled game is Jan. 12 when it hosts Venice grade school.

Jackson Redbirds Beat St. Louis Trojans In East Side Finals, 81-76

Tired Trojans Rally From 13 Points Back; Team Effort Says McManahan

Trailing 51-38 midway in the third quarter, Coach Earl McManahan's Jackson Redbirds rallied to post an 81-76 win over Alton's Redbirds Friday night and grab the 17th annual East St. Louis holiday tournament title.

The win was the tenth straight in as many games for Jackson. Alton suffered its third setback in nine starts. The Redbirds side-tracked the journey fakers, Collinsville's Hawks, Thursday night, 61-53. Madison beat East St. Louis, 76-61, Thursday night to advance to the finals.

"It was a terrific team effort," one shot in the second half, he declared a jubilant McManahan. "I'm really proud of them because they didn't fold. We played three tough games in a row, and you don't rest on defense or offense with our type of play," he explained the Madison mentor. "Seventy-five to 80 points a ball game for three successive nights—that's a lot of trips up and down that floor!"

Haynes Sparks Comeback
Heading the list for Madison heroics was Junior Bob Haynes who sparked his teammates in the second half. Finishing the game with 21 points—an individual high—he poured in 15 of them in the last half.

Hitting three-of-three from the field in the third period, Haynes connected on his next three attempts in the final quarter. He added three free throws in as many tries to account for nine of Madison's 27 points in the final eight minutes of play. Most of his shots were from the baseline about 20-25 feet away from the basket. He only missed

Game scoring honors went to Madison's Don Freeman with 28 points. Playing with the afterglow of a recent attack of the flu, he averaged 29.7 points per game during the holiday classic. McManahan's squad had four men in double figures in all three games. Friday night's scoring went as follows:

McManahan's Squad: Freeman 28, Haynes 21, Jones 11, Griggs 10, Koss 10, and Cecil Bell 10. **Alton's Squad:** Jones 11, Griggs 10, Koss 10, and Cecil Bell 10.

night, ran into early four trouble, but eventually fouled out at 15:09 remaining in the game. He had eight points. Jones fouled out with 32 seconds left.

42-37 At Half
The score was tied 22-22 at the end of the first quarter. Hitting over 70% of their shots in the first half, the Redbirds grabbed a 42-37 lead at the intermission.

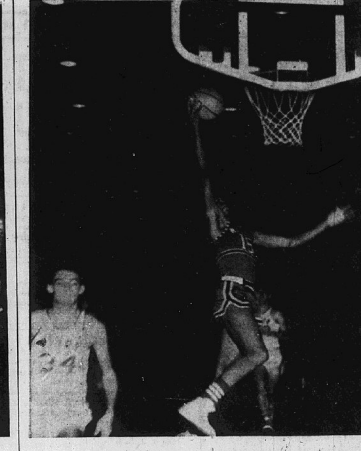

Couch McManahan's team showed no signs of letting up at the start of the last half. Alton hit eight straight points before Freeman and Redbird Rosy Wilson traded lone charity throws. The score read 51-38 with five minutes to go in the third period.

Tied 63-61
Then the explosion came. Alton managed to hold a 61-54 lead at the end of the third quarter, but Madison tied the score at 63-61 with 5:38 to go. The lead exchange hands twice and again Madison hit a double figure in all three games. Friday night's scoring went as follows:

McManahan's Squad: Freeman 28, Haynes 21, Jones 11, Griggs 10, Koss 10, and Cecil Bell 10. **Alton's Squad:** Jones 11, Griggs 10, Koss 10, and Cecil Bell 10.

READY REBOUNDERS — Madison's Ken Griggs (right) jets loose with a shot in Friday night's Alton game as Redbird Roger Capps tries in vain to block it. Pictured for the rebound are (left to right), Madison's Mick Gravelle (23), Don Freeman (15) and Alton's Tom Atherton (50). Gravelle got the ball and laid it in for two points.

WHERE'D HE GO? — That seems to be the question Alton's Bob Jones (24) is asking himself in Friday night's East St. Louis holiday tournament championship clash with Madison's Trojans. Meanwhile, Don Freeman (with ball) puts the finishing touches to a Madison fastbreak. The Trojans won, 81-76.

Warriors Win Holiday Mat Tourney; Sterling 2nd

Cruse, Fazio, Felchlin And Kary Titlists

Four Granite City high school wrestlers won individual titles and Coach Earl McManahan's team won the championship after a hard-fought battle with Collinsville's Hawks.

The Warriors were awarded the first-place trophy in their own holiday invitational tournament after totaling 103 points under the complicated double-elimination scoring system. Second place went to Collinsville, 67-61.

Cruse (154) beat Sterling's Jerry Walker 7-2, decided Gary Fazio of Edwardsville 6-2, and defeated Bruce Galloway of Madison 6-0 and scored a pin against Edwardsville's Bill Brant in 3:16 of the final match.

Kary (180) pinned Norman Schoette of Edwardsville in 3:08, drew a second-round bye and then beat John Lipper of Champlin 7-3 and Larry Hacker of Jacksonville 5-0.

Eldon Poole of GCHS finished second in the 145-pound class, being beaten by the division champion, Sterling's Gary Johnson. First through third-place finishers in each division were awarded medals, and a second-place trophy was presented to the Sterling squad.

Schmitt's Warriors, 8-1 in dual meet competition this season, will be at home to a Southwest conference members' Edwardsville, Friday at 7:30 p.m. At Edwardsville early in December Granite City was a 3-5 winner.

All Make Third Round
At the end of the second round Thursday night, each of the four wrestlers was still alive in the double-elimination affair, although five had been beaten once.

AJBC Tourney Singles
Doubles Winners Named
Eight winners were announced today following tabulation of scores in the American Junior Basketball Congress Christmas tourney, conducted for the past two Saturdays at the Bowland businessmen.

Banham division titlists were Rosie Hermann in the singles and Jennifer Howell-Randley Klein and Mike Painter, Gladys Oka in the mixed doubles. The 573 boys rolled John Summers rolled 525 to take the junior division singles championship. Junior doubles winners were Judy Sanders and Larry Rice, who totaled 867.

The winning scores will be furnished to AJBC headquarters in Chicago for comparison with other scores from throughout the nation as national benchmarks are determined.

Richwoods Wins Title At Pontiac; GCHS Beaten
Peoria Richwoods added a major feather to its basketball cap Friday night by winning the title at the 16-team Pontiac holiday tourney. Richwoods ran its season's record to 9-0 by edging Chicago Heights Bloom in the championship game, 62-61.

Granite City suffered its eighth straight loss Thursday night in all even Granite City moved to round, and was eliminated from the tourney by LaSalle-Peru, 55-40.

Granite City suffered its eighth straight loss Thursday night in all even Granite City moved to round, and was eliminated from the tourney by LaSalle-Peru, 55-40.

LaSalle-Peru went on to win the third-place consolation title by beating Ann-Jonesboro Friday afternoon, 69-66. Later Friday evening, Arlington surprised Decatur 61-57 in the consolation final.

Princeton bested Lockport 52-47 to win third-place honors.

The GC-LaSalle contest Thursday was a much closer battle than the final 55-40 score would indicate. The two young clubs scrapped for the better part of three quarters, with neither able to gain a controlling hand.

Then, in the final four minutes of the fourth period, LaSalle-Peru caught fire, led by Sam Rasmussen, the team's star player, who topped all scorers in the contest with 20 points.

Up until that point it had been all even. Granite City moved to a 12-11 first-quarter lead. Both teams played court basketball, and LaSalle-Peru held a 19-10 lead at halftime. They were even again in the third period, both clubs scoring 14 points for 33-33.

The Warriors went cold late in the contest, and finished shooting at 34%. They made less than 50% from the free throw line—10 of 21.

"It's the last three or four minutes we—[of it]," said Coach Andy Sullivan. His brother, Don, is mentor of the LaSalle-Peru club, which has seven of its first eight players back next year.

"But that fourth quarter killed us," continued Andy, who also will have a large percentage of returnees from this year's club. "With the exception of the fourth quarter, we played our best ball of the year," Sullivan said, and added, "It's a matter of time, and we don't seem to have enough."

Buehler Hits 15
Vic Buehler, a reserve guard who drew a starting assignment Thursday, led the Redmen with 15 points, nearly double his previous single-game output. Bill Bayd, who fouled out in Wednesday's contest with Pontiac without scoring, followed with 10.

Other GC scoring: Larry Wortham 6, Elton Hall 5, Larry Lilley 2, Barry Sykes 2, Jim Frohitt 2, Charles Papp 0.

The LaSalle-Peru scoring: Rasmussen 20, Kobach 11, D. Jarzewski 9, G. Jarzewski 5, Prohaski 4, Wozniak 4, Jermion 2, Yorgi 0.

Joining LaSalle-Peru in the consolation semifinals Thursday were Ann-Jonesboro, a 51-46 winner over Waukegan; Arlington, which easily defeated Clinton 67-41; and Decatur, a pre-tourney choice, which outscored Watseke 75-52.

Advancing to the championship semifinals the same day were Lincoln, 54-45 victor against Lockport; Peoria Richwoods, which made Springfield a 49-36 victim; Chicago Bloom, which eased past Channah 63-61; and Princeton, a 50-55 winner over Pontiac.

HELPING BOOST Granite City back into the team point lead midway through the second round of the double elimination wrestling tourney here Thursday night was 154-pound Bob Cruse, who has Decatur Eisenhower's Gary Fazio in trouble here. Cruse won the bout 7-2 and his victory gave GCHS an 18-16 lead over Eisenhower, closest team competitor.

Farm Column
By THURMAN W. MAY
Madison County Farm Adviser

Records kept in the soil test-
ing laboratory operated by the
Madison County Farm Bureau
and the Agricultural Extension
Service show that a total of
18,984 samples of soil from 850
Madison county farms were
tested in the laboratory during
the year ending Nov. 30.

These samples were supplied
from 18,984 acres. Most farmers
collected their samples carefully
according to the sampling direc-
tions supplied by the laboratory.
Some of the tests would be accu-
rate and representative of the area
tested.

Each farmer or landowner
having soil tested was sent an
individual report of the results
and recommendations for the
proper amounts and methods in
applying fertilizers to the soil
and crops. A file of all test
results is kept in the office, and
also a card index.

Information on previous tests
and treatments was supplied to
farmers who cannot find their
records.

More farmers are getting the
benefit of having their soil tested
during the winter months, well
in advance of the time for add-
ing lime and fertilizers.

This avoids the seasonal rush
periods in the laboratory and
gives the farmer more time to
plan ahead for his soil improve-
ment work.

Samples tested in the county
laboratory are regularly check-
ed.

Better Fire Protection With Dual Duties

(This is the 52nd in a series
of articles based on a re-
organization study of city
government in Granite City
by Southern Illinois Univer-
sity.)

A recommendation for one
three policemen on each of
three police shifts to be tri-
ed in fire fighting work is
again in the fire department
of the SIU report on fire
protection.

"The addition of nine firemen
would greatly improve the
strength of the fire company
responding to alarms," the SIU
team points out.

But taking into consideration
the city's finances, even pos-
sible cost savings were not
the SIU report was completed, the
SIU government experts recom-
mended the following:

"The city should first con-
sider the savings to be realized
by using men trained in both
fire and police duties.

Police and Fire
"One or two policemen on each
shift trained in fire work
equipped with fire fighting
equipment, rescue, first aid
and salvage items could be
used."

The 1962 record book indicates
five-year depreciation sched-
ules as suggested by the Internal
Revenue Service. It provides
for capitalizing breeding and dairy
stock from inventory accounts.
Depreciation schedules. This pro-
cedure alone can make impor-
tant tax savings for many farm-
ers who keep records on the in-
ventory or accrual basis.

The book also contains in-
structions for computing the
farm returns per \$100 worth of
feed fed to cattle, hogs and
poultry, as well as long-time
averages.

It includes a list of ques-
tions which a farmer can check
his production methods against
those recommended by the Col-
lege of Agriculture.

The record book also provides
a simple procedure for making
a limited analysis of the farm
business by comparisons with
current standards furnished by
the college.

The annual meeting of the Illi-
nois State Vegetable Growers
Association will be held in con-
nection with the annual two-
day school of the St. Clair-Mad-
ison-Monroe Vegetable Growers
Association January 16-17 at the
association hall near Caseyville.
Printed programs will be avail-
able soon.

John's disease, an intestinal
infection in cattle, has been
found in some publicity recently.
A check with several veterinarians
of the county indicates that a
few cases have been found in
this area to date.

The amount of water animals
need depends upon their weight,
diet and the weather. Cattle
and sheep consume larger
amounts than other livestock be-
cause their diet is bulky.

A 600-pound feeder after prob-
ably drinks 7 to 10 gallons of
water a day. The amount may
be slightly lower on winter days.
Because cattle and sheep need
so much water, it should be
available at all times, not just
once a day. Animals will drink
more when water is always
available.

In addition to being available
constantly, water should be
heated to 50 degrees. Colder
water causes a temporary pre-
sbyolysis of the digestive tract.
Again the animal loses its ap-
petite, but for a shorter period
than the animal suffering from
a lack of water.

Heating water electrically is
the ideal way—provided the
water tank is insulated so that
the animals will not get elec-
trical shocks.

The ten highest milk-produc-
ing herds in the Madison County
Dairy Herd Improvement Asso-
ciation for the last month of
testing were owned by Harold
Baumann, Harold Klewke, Elmer
Klewke, Walter Sievers, Leland
Steiner, Arthur Braundmeier,
Norman Henke, Clarence Sie-
vers, Waldo Keilbach and Vernon
Becker.

A district conference for local
4-H club leaders in Madison and
adjoining counties will be held
at the Zion Lutheran Church at
Caseyville, Mo., on Jan. 19. Theme
of the district conference this year is
"4-H Camping in Illinois." The
discussion will attempt to show
club leaders the relationship between
camping and the 4-H program.
Speakers will include E. H. Res-
sler, extension recreation speci-
alist and F. H. Root, Memorial
Camp and Allerton Park man-
ager. All 4-H club leaders are
urged to attend.

Batteries discharge when not
used by agriculture engineers.
A discharged battery will freeze
at 19 degrees F., so recharge
batteries on idle combines and
tractors now. Better yet, remove
the battery and store it in a cool,
dry place.

Now is the time to put ma-
chinery and equipment into con-
dition for the next season. Since
there are more models, and some
companies have moved parts
depots, last-minute orders may
be delayed and cost more.

Philadelphia has five medical
schools, the University of Pen-
sylvania, Jefferson Medical Col-
lege, Temple Medical School,
Woman's Medical College and
Hahnemann Medical College.

Approximately 90 per cent of
the vaults and safes made in the
United States are produced in
Canton and Hamilton, Ohio.

Better Fire Protection With Dual Duties

valuable strength to the fire de-
partment.

"Since these men would nor-
mally arrive at the fire scene in
advance of the apparatus, they
would be of greater value than
another man added to a fire com-
pany."

"The SIU report in the section
devoted to the police department,
emphasized the policemen with
the added fire fighting duties
should receive extra compensa-
tion in salaries."

"The Granite City fire depart-
ment, the report states, consists
of four companies on duty at all
times.

"Two companies at the head-
quarters station consist of one
driver and two and three fire-
men. The other two stations each
have only two men, a company
driver and captain.

Five Firemen On Each Call
"Since the ladder service truck
rolls on all calls, the total per-
sonnel answering is five—three
on the ladder service truck from
the headquarters station and two
from the No. 2 or No. 3 station.
"When No. 1 station answers a
call in its district, mainly the
downtown and high value areas,
all seven men go, three on the
service ladder truck and four
on the pumper."

Alien Registration

Under Way In Area

The annual registration of
aliens in the United States is in
progress and will continue
throughout January. It is esti-
mated there are approximately
300 in the Quad-Cities area.

Aliens may obtain registration
forms from any post office and
are required to list names, ad-
dresses, dates and places of en-
try into the United States, dates
and places of birth, nationality, in-
come, occupation, and other in-
formation.

All aliens, with a few excep-
tions, who are in the U. S. on
Jan. 1 each year must report
their address by the end of the
month. Only the following
classes of aliens are excused:
accredited diplomats; persons ac-
credited to certain international
organizations; and those admit-
ted temporarily as agricultural la-
borers.

Immigration and Naturaliza-
tion Service District Director
Wilbur T. Flagg of Chicago said
failure to comply with the regis-
tration carries a penalty of pos-
sible fine and deportation.

4 Stop Sign Charges

A motorist charged with fail-
ing to observe four downtown
area stop signs posted his driver's
license as bond Thursday
night. He was Gordon A. Thomp-
son, 37, of 1344 State street, who
police said ran stop signs at 18th
and State streets and on Delmar
avenue at 18th and 19th streets
and at Niedringhaus avenue.

Auto Hits Pole

Police received a report at 6
p.m. Saturday that an auto driv-
ing east on Peeling road by M. F.
Schutte, 3105 31st avenue, struck
a utility pole at Oregon street.
No injuries were listed.

\$1,161,272 Total Madison School Budget Proposed

A proposed \$1,161,272 expenditure for an addition to Louisville grade school will increase the Madison school district's 1961-62 budget from the \$1,027,949 figure adopted in August to \$1,161,272. A hearing on the amendment is set for 7:30 p.m. today, Jan. 23.

The change is to be made to allow for payment of the \$100,000 tractor during 1961-62 on the basis of the 1960-61 performance this school year. A \$53,211 contract has been awarded to the Tom Stuebner architectural firm, and the \$100,000 fee to Virgil Dieroff of amounts to \$33,212.

The new budget total of \$1,161,272 includes \$907,090 for salaries, \$100,000 for materials, \$112,602 for bonds and interest, \$100,000 for municipal retirement and \$12,180 for transportation. The building fund, which is unchanged, includes construction expenditures, raised from \$57,850 to \$40,000.

The budget currently on display at the school board office, 1707 Fourth street, shows the same estimated deficit of \$740 in the educational fund and \$9484 in the building fund as the appropriation approved last summer.

Of the construction expenditures proposed, \$100,000 is from issuance of tax anticipation warrants and \$100,000 from other funds of the school district.

Both amounts are listed in the budget as "income" and are described as "income" in the annual report. The \$100,000 is listed as a capital outlay under non-operating costs.

Foundation's Plea Passed On To UF Executive Group

The Tri-Cities Area United Foundation's plea for support of the Social Planning Council was passed on to the executive committee of the United Foundation for the Tri-Cities.

The Social Planning Council also approved payment of \$263 in unpaid charges due St. Elizabeth Hospital for diagnosis in its bi-weekly Heart Clinic.

The council also voted to establish a Health Services reserve account of approximately \$4500 for future use. The bill payment previously had been authorized in principle by the executive committee at its last meeting.

Pay Hospital Bills. In other business, which will also require final approval of the executive committee, the Social Planning Council passed a motion to pay \$1500 or a portion of two heart case unpaid bills at St. Elizabeth Hospital for individuals now receiving public aid.

Reviewing five cases, the council turned down an application for assistance from a man who had had heart surgery with his wife. It was pointed out that both the man and his wife are employed.

The council agreed to assist in x-ray treatments for a cancer case and to purchase a pair of shoes for a 15-year-old girl stricken with polio. The girl's parents had already purchased her braces but could not afford the shoes.

The members also approved payment of repairs to traces of another polio patient who had purchased the braces originally through the Health Services Fund. In closing, the group agreed to assist with special medical training for a seven-year-old child who has been in the hospital for three months at a St. Louis hospital.

Local Fund Billed. Under the proposal, the Tri-Cities Area United Fund would authorize the service required and agree to assume costs of the Health Services Fund, by referral to the Social Planning Council.

Charles Ray, 16, of 2594 Denver street, was arrested early Monday at 23rd street and Edison street by police who charged him with speeding and operating a motor vehicle without a driver's license.

Car Blocks Driveway. Peter Hoplin of Gillespie was issued an arrest ticket for parking his car at a driveway at 2024 E. Madison street on Saturday. The car was towed to a garage. Hoplin posted his driver's license as bond.

Fighting Charges Filed. Charges of fighting were placed against two men arrested Saturday night in the 900 block of N. Broadway street.

Thompson, 36, of 831 N. Broadway street, who also was charged with drunkenness and refused to appear for a hearing tomorrow, and John Keel, 35, of 944 N. Broadway street, who was freed on \$16 cash bail for a hearing today.

Two Traffic Charges. Leroy Smith, 21, of 2813 Harding street, posted \$27 cash bail after being arrested Saturday night by Granite City police on charges of driving without lights and operating a motor vehicle without a driver's license.

Find Stolen Car. A car belonging to Paul Hillis, 1845 S. Broadway street, stolen from in front of his home between 9 and 10:30 p.m. Saturday, was found in the south side of the 2900 block of Circle-drive by police.

Three Charges Filed. Charges of reckless driving, running a stop sign at West 20th and Spruce streets and failure to yield the right of way to officers were placed against Donald Carey, 20, of 2453 Logan street, early Monday morning.

Holes Shot In Window. Four pellet holes were shot in a window on the south side of his home, John L. Wood, 2909 Washington avenue, reported to police at 11:15 p.m. Sunday.

Door Glass Broken. Arthur Smith reported to police Sunday evening that vandals had broken a rock through a rear door glass at the Eagles Lodge, 26th street and Madison avenue.
